

Battery Charger General Purpose

The BC0512 is an Automatic Battery Charger for lead acid batteries (Pb), 6 V and 12 V with capacity from 5 to 100 A / h. It is protected against over current, reverse polarity and short circuits.

A circuit provides a trickle charge and therefore the possibility of connecting the battery for an indefinite period.

Good to keep in the garage when the battery of your car is discharged or when you know you do not have to use it for a certain period of time.

It effectively contributes to the conservation and life of your batteries.

MODEL		BC0512
Input	Vac	230
Output	Vac	6 and 12
Max. Load	A	5
Battery Specifications	type A	Lead (Pb) 5 ÷ 100
Dimensions (LxWxH)	mm	150 x 160 x 90
Weight	Kg	2.1

The BC9 is a DUAL BATTERY CHARGER designed and developed for the needs of model enthusiasts that use remote controls.

It can perform only the charge or the charge/discharge of one or two series of batteries.

The section above is used for battery series of 4 or 5 elements (4.8 V to 6 V) while the section under is used for battery series of 8 or 10 elements (9.6 V or 12 V).

MODEL		BC9
Input	Vac	230
Battery Specifications	type mA/h elements	Ni-Cd, Ni-MH 600 ÷ 1800 4 ÷ 5 and 8 ÷ 10 in series
Dimensions (LxWxH)	mm	150 x 160 x 90
Weight	Kg	1.25

The BC13 is a BATTERY CHARGER/DISCHARGER precise, versatile and easy to use.

It is precise because all functions are controlled by a microprocessor.

It is versatile as suitable for different types of rechargeable batteries.

It is easy to use because the function setting is immediate and intuitive and it is done by pressing the corresponding keys.

The complete discharge, before charging, is essential for the Ni-Cd (nickel- cadmium) batteries to avoid memory effect. It also has the regenerative function for recovery of old batteries.

MODEL		BC13
Input	Vac	230
Battery Specifications	type mA/h elements V	Ni-Cd, Ni-MH 150 ÷ 8000 2 ÷ 10 in series

		2.4 ÷ 12
Battery Specifications	type A V	Lead (Pb) up to 15 6 and 12 V
Dimensions (Lx WxH)	mm	200 x 150 x 90
Weight	Kg	2
